2027 Banff Legacy Tour

Monday, September 6, 2027
Calgary → Banff National Park → Calgary

Following the 2027 International Instructors Course in Calgary, participants are invited to join us for a unique day in the Canadian Rockies celebrating the history, legacy, and spirit of Taekwon-Do.

This special experience will be led by Grand Master Norman and Grand Master Lajeunesse, both of whom were part of the original *Taekwon-Do Legacy* filming in Banff. Participants will have the rare opportunity to train with them, hear their personal stories and memories from the original filming, and experience firsthand some of the locations connected to this important chapter in Taekwon-Do history.

The tour will include a visit to Bow Falls, a recognizable location featured in the original *Taekwon-Do Legacy* footage with General Choi Hong Hi, professional photography with Master Robert Scott, a special outdoor Legacy Training & Stories session led by Grand Master Norman and Grand Master Lajeunesse and free time to enjoy downtown Banff.

This will be more than a sightseeing tour — it will be an opportunity to walk in the footsteps of Taekwon-Do history, train where part of that legacy was captured, and hear the stories directly from those who were there.
